1.4 Onboarding Requirements

To enable ScaleLocal to perform the services, Client agrees to provide the following within seven (7) business days of executing this Agreement:

- Access to Client's Google Business Profile (Owner or Manager level access)
- Access to Client's existing website (if applicable), including hosting credentials or CMS login
- Business logo files in high resolution (PNG or SVG preferred)
- Brand colors (hex codes if known), fonts, and any existing brand guidelines
- Up to ten (10) high-quality photos of the business, staff, or work product
- Any existing customer lists for review request deployment (in .CSV format)
- Access to existing ad accounts on Meta Business Manager and/or Google Ads, if applicable (Momentum and Authority tiers only — Foundation clients are not required to provide ad account access)
- Any other materials reasonably requested by ScaleLocal within ten (10) days of the request

Failure to provide required materials within the timeframes above may delay service commencement and will extend any applicable ramp period by the number of days the delay persists. ScaleLocal shall not be in breach of this Agreement due to delays caused by Client's failure to provide required materials.

SECTION 2 — FEES AND PAYMENT

2.1 Setup Fee

A one-time setup fee is due and payable at the time of executing this Agreement. Setup fees by tier and commitment term: Foundation 6-month or 12-month: \$0. Foundation month-to-month: \$497. Momentum 6-month or 12-month: \$0. Momentum month-to-month: \$697. Authority all terms: \$997 (never waived). AI Receptionist all terms: \$997 (never waived). The setup fee covers account configuration, website build where applicable, system setup, tracking installation, and initial optimization. Setup fees are non-refundable once services have commenced.

2.2 Monthly Subscription Fee

A monthly subscription fee of [\$497 (Foundation) / \$1,297 (Momentum) / \$1,997 (Authority)] is due on the same calendar day each month as the service commencement date. The first month's subscription fee is due at the time of executing this Agreement.

2.3 Payment Method

All fees are processed via Stripe. Client authorizes ScaleLocal to charge the payment method on file for all setup fees and monthly subscription fees. Client is responsible for maintaining a valid payment method on file at all times.

2.4 All-Inclusive Retainer

The monthly subscription fee is all-inclusive. Paid advertising spend is managed by ScaleLocal within the retainer at a level sufficient to deliver the guaranteed lead minimum for Client's tier. Client does not fund ad accounts separately and will not receive separate ad spend invoices. ScaleLocal controls all ad budgets, platform accounts, and spend allocation. This model ensures ScaleLocal's incentives are fully aligned with Client's results. Clients who wish to scale beyond their tier's guaranteed lead minimum may do so by increasing their ad budget. Any budget increase beyond the included retainer amount will be agreed upon in writing before taking effect and will be billed separately.

2.5 Late Payment

Invoices unpaid after five (5) days from the due date will incur a late fee of 1.5% of the outstanding balance per month. ScaleLocal reserves the right to suspend services for accounts more than ten (10) days past due. Suspension of services does not relieve Client of the obligation to pay outstanding amounts. Services will be reinstated within two (2) business days of payment receipt.

2.6 Failed Payments

In the event of a failed payment, ScaleLocal's automated system will attempt to process the payment again on day 3 and day 7 following the initial failure. If payment has not been received by day 10, ScaleLocal will notify Client by email and suspend services. If payment is not received within thirty (30) days of the original due date, ScaleLocal may terminate this Agreement and Client forfeits any credit toward future services.

2.7 Price Changes

ScaleLocal reserves the right to modify subscription pricing with thirty (30) days written notice to Client. Price changes will take effect at the start of the next billing cycle following the notice period. Client may terminate this Agreement without penalty if Client does not accept the new pricing, provided written notice of termination is delivered within the thirty (30) day notice period.

SECTION 3 — TERM AND COMMITMENT

3.1 Initial Commitment Term

This Agreement commences on the service commencement date. Client selects their commitment term at signing. Month-to-month is available with the applicable setup fee. Six-month and 12-month commitments waive the setup fee for Foundation and Momentum tiers. Authority setup fee applies on all terms. The 12-month plan includes the 12th month at no charge, provided all prior monthly payments have been made on time. There is no minimum commitment term — Client chooses their term at signing.

3.2 Month-to-Month After Initial Term

After any initial commitment period, this Agreement automatically continues on a month-to-month basis. Month-to-month clients may terminate at any time with thirty (30) days written notice. Either party may terminate with thirty (30) days written notice delivered by email to the other party's address on file. Cancellation requests must be sent to matt@scalelocal.net from the email address on file. Cancellation requests sent by any other method will not be considered valid.

3.3 Termination for Cause by ScaleLocal

ScaleLocal may terminate this Agreement immediately, without liability, upon written notice to Client if:

- Client fails to make payment within thirty (30) days of the due date
- Client engages in fraudulent, illegal, or abusive conduct toward ScaleLocal or its personnel
- Client materially breaches this Agreement and fails to cure such breach within ten (10) business days of written notice
- Client makes unauthorized changes to their Google Business Profile, tracking infrastructure, or ad accounts that materially impair ScaleLocal's ability to deliver services

3.4 Termination for Cause by Client

Client may terminate this Agreement immediately, without liability for the remaining commitment term, upon written notice to ScaleLocal if ScaleLocal materially fails to deliver the services described herein and fails to cure such failure within twenty (20) business days of written notice from Client.

3.5 Effect of Termination

Upon termination of this Agreement for any reason:

- All outstanding fees through the effective termination date become immediately due and payable
- ScaleLocal will transfer to Client: (a) any website files built on Client's domain, (b) all ad creative assets, and (c) access to any accounts owned by Client. Transfer will be completed within ten (10) business days of the termination date.
- ScaleLocal retains ownership of proprietary systems, templates, workflows, and any content built on ScaleLocal-owned domains
- Setup fees are non-refundable under all circumstances once services have commenced

- Prepaid monthly fees for periods beyond the termination date will be applied as a service credit toward any future ScaleLocal service only if termination is initiated by ScaleLocal without cause. No cash refunds are issued under any circumstances.

SECTION 4 — PERFORMANCE GUARANTEE

4.1 The ScaleLocal Guarantee

"We guarantee the number of new qualified leads set forth for your tier, every month, or we work for free until we hit the number."

4.2 Guarantee Thresholds

Based on Client's selected tier, ScaleLocal guarantees the following minimum number of new qualified leads per calendar month, subject to the conditions and definitions set forth in this Section:

- Foundation: 3 (three) new qualified leads per month
- Momentum: 8 (eight) new qualified leads per month
- Authority: 20 (twenty) new qualified leads per month

4.3 Ramp Period

The performance guarantee does not apply during the initial ramp period, which begins on the service commencement date and runs for:

- Foundation: 60 days
- Momentum: 90 days
- Authority: 90 days

During the ramp period, ScaleLocal will build, optimize, and launch all campaign infrastructure. Results during this period may not reflect steady-state performance and are excluded from guarantee calculations.

4.4 What Counts as a Qualified Lead

For purposes of this guarantee, a "qualified lead" means any of the following:

- A phone call of thirty (30) seconds or longer to a ScaleLocal-tracked number
- A form submission through Client's website or landing page that contains a valid, reachable phone number or email address
- A direct message through Client's Google Business Profile
- A chat conversation that results in capture of at least the contact's name and phone number or email
- An SMS reply to an outbound campaign requesting a callback, quote, or specific additional information about Client's services

4.5 What Does NOT Count

The following do not count toward the lead guarantee:

- Existing customers or repeat contacts from the same individual within a 30-day window
- Spam calls, robocalls, solicitation calls, or wrong-number calls
- Phone calls under 30 seconds in duration
- Walk-in traffic or in-person visits not attributable to a tracked marketing source
- Inquiries received through channels not managed or tracked by ScaleLocal
- Verifiable bot submissions or form submissions containing definitively false contact information (e.g., placeholder phone numbers such as 555-555-5555, or gibberish email addresses), provided Client flags such submissions in the ScaleLocal CRM dashboard within forty-eight (48) hours of receipt

4.6 Guarantee Remedy

If ScaleLocal fails to deliver the guaranteed number of qualified leads in a given calendar month (after the ramp period), ScaleLocal will provide service at no charge for the following month. The complimentary month is the exclusive remedy for a missed guarantee. No cash refunds or credits are issued for missed guarantee months.

4.7 Consecutive Missed Months

If ScaleLocal fails to meet the guarantee for two (2) consecutive calendar months, either party may terminate this Agreement without penalty, regardless of the remaining commitment term. No further fees are owed for periods after termination under this subsection. No cash refunds are issued. Billing stops at termination — that is the full remedy.

4.8 Conditions That Void the Guarantee

The performance guarantee is void if any of the following occur:

- Client fails to respond to leads within 24 hours of receipt, as measured exclusively by communication timestamps within the ScaleLocal CRM dashboard. Communications initiated outside of the ScaleLocal tracking ecosystem will not be recognized for the purposes of this guarantee
- Client makes unauthorized changes to their Google Business Profile
- Client modifies, disables, or interferes with any tracking infrastructure installed by ScaleLocal
- Client fails to provide required materials or access within the timeframes set forth in Section 1.4
- Client's business is closed, suspended, or operating under conditions that prevent normal service delivery
- Force majeure events including but not limited to platform outages, Google algorithm changes, or other conditions outside ScaleLocal's reasonable control

SECTION 5 — INTELLECTUAL PROPERTY AND OWNERSHIP

5.1 Client-Owned Assets

Upon full payment of all fees due under this Agreement, Client owns the following assets created by ScaleLocal specifically for Client:

- Website files deployed on Client's domain
- Ad creative assets (images, copy, video) created for Client's campaigns
- Google Business Profile content posted on Client's GBP listing
- Email and SMS sequence content created for Client's campaigns

5.2 ScaleLocal-Owned Assets

ScaleLocal retains ownership of the following at all times, regardless of payment status:

- All workflow templates, process documentation, and operational systems
- ScaleLocal platform infrastructure, proprietary technology, and agent systems
- Any website content deployed on ScaleLocal-owned domains (scalelocal.net subdomains, etc.)
- Campaign structures, audience segments, and optimization frameworks that represent ScaleLocal's proprietary methodology

5.3 Ad Account Ownership

Ad accounts on Meta Business Manager and Google Ads shall be structured so that Client retains direct ownership of their own ad accounts. ScaleLocal will be added as a partner or agency administrator. Upon termination of this Agreement, ScaleLocal will remove itself from Client's ad accounts within ten (10) business days.

5.4 Client License to ScaleLocal

Client grants ScaleLocal a non-exclusive license to use Client's business name, logo, trademarks, and other brand assets solely for the purpose of performing the services under this Agreement. This license terminates automatically upon termination of this Agreement.

5.5 Testimonials and Case Studies

Client grants ScaleLocal a perpetual, non-exclusive license to use Client's business name, general results (without disclosing confidential specifics), and anonymized performance data for marketing, case studies, and testimonials, unless Client provides written objection to such use.

SECTION 6 — CLIENT OBLIGATIONS

6.1 Cooperation

Client's active cooperation is essential to the success of ScaleLocal's services. Client agrees to:

- Respond to all ScaleLocal communications within two (2) business days
- Respond to all qualified leads delivered through ScaleLocal's systems within twenty-four (24) hours
- Provide timely feedback on creative assets, websites, and campaign materials
- Maintain all required platform access and accounts in good standing
- Notify ScaleLocal immediately of any changes to business operations, hours, services, or contact information

6.2 Prohibited Actions

Client shall not, without ScaleLocal's prior written consent:

- Make changes to the Google Business Profile, tracking numbers, website, or ad accounts managed by ScaleLocal
- Contact ad platform representatives to make changes to ScaleLocal-managed campaigns
- Engage another marketing agency to perform services that overlap with those provided under this Agreement
- Solicit or attempt to hire any ScaleLocal personnel or contractors during the term of this Agreement and for twelve (12) months following termination

6.3 Accuracy of Information

Client represents and warrants that all information provided to ScaleLocal, including business descriptions, services offered, pricing, hours of operation, and any other content, is accurate and compliant with all applicable laws. Client indemnifies ScaleLocal against any claims arising from inaccurate or misleading information provided by Client.

SECTION 7 — CONFIDENTIALITY

7.1 Mutual Confidentiality

Each party acknowledges that in connection with this Agreement, it may receive confidential information of the other party. Each party agrees to keep confidential all non-public information of the other party and to use such information solely for the purposes of performing under this Agreement.

7.2 ScaleLocal Proprietary Information

Client acknowledges that ScaleLocal's systems, workflows, pricing structures, and operational methodology are proprietary and confidential. Client shall not disclose, reverse engineer, or replicate ScaleLocal's systems for any purpose, including for Client's own operations or for the benefit of third parties.

SECTION 8 — LIMITATION OF LIABILITY AND DISCLAIMERS

8.1 No Guarantee of Specific Revenue

ScaleLocal guarantees a minimum number of qualified leads as set forth in Section 4. ScaleLocal does NOT guarantee any specific level of revenue, sales conversion, or business growth. Actual results depend on factors outside ScaleLocal's control, including but not limited to Client's sales process, pricing, staff responsiveness, product quality, and market conditions.

8.2 Platform Dependency

ScaleLocal's services depend on third-party platforms including Google, Meta, and others. ScaleLocal is not liable for service interruptions, policy changes, account suspensions, or algorithm changes by these platforms. ScaleLocal will make commercially reasonable efforts to adapt to platform changes and restore service as quickly as possible.

8.3 Limitation of Liability

IN NO EVENT SHALL SCALELOCAL BE LIABLE TO CLIENT FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES. SCALELOCAL'S TOTAL CUMULATIVE LIABILITY TO CLIENT UNDER THIS AGREEMENT SHALL NOT EXCEED THE TOTAL FEES PAID BY CLIENT TO SCALELOCAL IN THE ONE (1) MONTH IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

8.4 Indemnification

Client agrees to indemnify, defend, and hold harmless ScaleLocal and its principals, employees, and contractors from and against any claims, damages, losses, and expenses (including reasonable attorney's fees) arising from: (a) Client's breach of this Agreement; (b) inaccurate or unlawful content provided by Client; (c) Client's business operations; or (d) any third-party claim arising from Client's actions or omissions.

SECTION 9 — DISPUTE RESOLUTION

9.1 Good Faith Resolution

In the event of any dispute arising under this Agreement, the parties agree to first attempt to resolve the dispute through good faith negotiation. Either party may initiate this process by delivering written notice to the other party describing the dispute in reasonable detail. The parties will have fifteen (15) business days to resolve the dispute through negotiation before either party may pursue other remedies.

9.2 Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, without regard to its conflict of law provisions.

9.3 Binding Arbitration

Any dispute that cannot be resolved through good faith negotiation shall be resolved through binding arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules. The arbitration shall take place in Massachusetts, or via video conference by mutual agreement. The arbitrator's decision shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

9.4 Waiver of Class Actions

Client waives any right to bring or participate in a class action, class arbitration, or other representative proceeding against ScaleLocal. All claims must be brought individually.

SECTION 10 — GENERAL PROVISIONS

10.1 Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior discussions, representations, and agreements. Any modifications to this Agreement must be in writing and signed by both parties.

10.2 Severability

If any provision of this Agreement is found to be unenforceable, such provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force and effect.

10.3 Waiver

The failure of either party to enforce any provision of this Agreement shall not constitute a waiver of that party's right to enforce such provision in the future.

10.4 Assignment

Client may not assign this Agreement or any rights hereunder without ScaleLocal's prior written consent. ScaleLocal may assign this Agreement in connection with a merger, acquisition, or sale of substantially all of its assets.

10.5 Notices

All notices under this Agreement shall be in writing and delivered by email to the addresses set forth on the cover page. Notices are deemed received when sent, provided no delivery failure notification is received within 24 hours.

EXHIBIT A

AI RECEPTIONIST SERVICES

ScaleLocal Receptionist — AI-Powered by ScaleLocal

This Exhibit A is incorporated into and made part of the Digital Marketing Services Agreement (the "Agreement") between ScaleLocal and the Client identified on the Agreement cover page. The terms of the Agreement apply to this Exhibit except where this Exhibit expressly provides otherwise. This Exhibit is effective only when the checkbox on the signature page of the Agreement is checked and both parties have executed the Agreement.

A1 — SERVICE DESCRIPTION

ScaleLocal Receptionist is an AI-powered phone, SMS, and chat answering service built and operated by ScaleLocal using proprietary technology. The Receptionist is configured to answer inbound calls and messages on behalf of Client's business, capture lead information, handle common inquiries using Client-provided knowledge, and route calls or messages to the appropriate human contact according to Client-defined transfer rules.

The Receptionist is trained on Client's business information — including services, hours, staff, FAQs, and pricing — provided by Client during onboarding. ScaleLocal configures, optimizes, and maintains the agent for as long as this Exhibit remains active.

A2 — PRICING

A2.1 Setup Fee

A one-time, non-refundable setup fee of \$997 is due at the time of executing this Exhibit, regardless of service tier, commitment length, or any other circumstance. This fee covers agent build, knowledge base configuration, voice selection, transfer rule setup, post-call automation, and initial QA testing. The \$997 setup fee is never waived, discounted, or credited toward any other service. This fee is fully earned upon execution of this Exhibit, as it reserves ScaleLocal's engineering bandwidth for the agent build, regardless of whether Client ultimately approves live deployment under Section A4.

A2.2 Monthly Fee by Service Configuration

Configuration	6-Month	12-Month	Month-to-Month
Standalone (no retainer)	\$497/mo	\$497/mo	\$497/mo
Momentum add-on (at signing)	\$297/mo add-on (\$1,594/mo total)	—	—
Momentum add-on (after signing)	\$347/mo add-on (\$1,644/mo total)	—	—
Authority (included in tier)	Included in Authority retainer (\$1,997/mo). No separate monthly charge. \$997 setup fee still applies.		

A2.3 Commitment Term

The AI Receptionist operates on a month-to-month basis with no minimum term commitment. Client pays a one-time \$997 setup fee and the applicable monthly fee for as long as the Receptionist remains active. Either party may terminate AI Receptionist services with thirty (30) days written notice. The \$997 setup fee is non-refundable and is never waived regardless of tier, term, or any other circumstance.

A3 — OWNERSHIP AND DATA RIGHTS

A3.1 Client-Owned Content

Client owns all business information provided for agent training, including services descriptions, hours of operation, staff names, FAQs, pricing information, and any other content originating from Client's business. Client

also owns all call recordings, call transcripts, and lead data generated through the Receptionist. This data is Client's property regardless of the platform on which it is stored.

A3.2 ScaleLocal-Owned Configuration

ScaleLocal owns the agent architecture, conversation flow design, transfer logic, prompt engineering, optimization methodology, and all configuration elements representing ScaleLocal's proprietary system. Client acknowledges that the Receptionist's performance is a function of ScaleLocal's configuration methodology, not solely the information provided by Client. Client may not replicate, export, or reverse-engineer ScaleLocal's agent configuration for use outside this Agreement.

A3.3 Phone Number

The dedicated phone number assigned to the Receptionist is provisioned and managed by ScaleLocal. Upon termination of this Exhibit for any reason, ScaleLocal will initiate a port of the assigned number to Client's direct carrier account within ten (10) business days of termination, at Client's request. If Client does not request a port within thirty (30) days of termination, ScaleLocal may release the number.

A4 — STAGING AND LIVE DEPLOYMENT

ScaleLocal will build and test the Receptionist on a dedicated test number before connecting it to Client's business line. The agent does not go live on Client's real phone number until: (a) ScaleLocal has completed internal QA testing, (b) ScaleLocal has notified Client the agent is ready for review, and (c) Client has confirmed approval in writing (email is sufficient). Client's written approval is the release gate. ScaleLocal will not connect the agent to Client's live line without explicit written confirmation.

A5 — TERMINATION OF EXHIBIT A

This Exhibit may be terminated independently of the main Agreement as follows:

- Standalone clients may terminate this Exhibit with thirty (30) days written notice at any time. The main Agreement, if any, remains in effect.
- Momentum add-on clients may terminate this Exhibit with thirty (30) days written notice. The Momentum retainer continues at the base Momentum monthly fee.
- Authority clients may not terminate AI Receptionist services independently — the service is included in the Authority retainer and terminates only with the full Agreement.

Upon termination of this Exhibit, ScaleLocal will: (a) disconnect the agent from Client's business line within two (2) business days, (b) provide Client with an export of call recordings and transcripts within ten (10) business days, and (c) initiate number port per Section A3.3 upon Client request.

A6 — USAGE AND PLATFORM COSTS

The monthly fee includes up to 200 minutes of AI Receptionist call time per month (Authority tier: unlimited). Usage beyond 200 minutes for Standalone and Momentum add-on configurations will be billed at \$0.15 per minute, invoiced monthly. ScaleLocal will notify Client when monthly usage reaches 80% of the included limit.
